

Next Steps

- Analysis of feedback from stakeholder consultation
- Development of traffic management and public realm options
- Continued consultation with DfI Roads & Statutory Bodies
- Further public consultation event (Online survey available)
- Submission of Economic Appraisal and funding application
- Subject to successful funding application the project will proceed to detailed design

Your views are important to us and to shaping the fabric of your town centre.

Please take a few moments to complete a questionnaire / feedback form.

THANK YOU
